

Local Breast Health Resources

Breast Cancer Screening and Treatment • Breast Health Education • Financial Aid

Serving women and men living in the following counties:
Allendale, Bamberg, Barnwell, Beaufort, Berkeley, Charleston, Colleton, Dorchester,
Georgetown, Hampton, Horry, Jasper, and Orangeburg

This list was compiled using data gathered August-December, 2010, from a variety of resources. **Included are Komen Lowcountry 2011-12 grant recipients who provide free services to qualified individuals** (noted with * by their listing). Screening services include primary care providers offering clinical breast exams and referrals for mammograms. Please note that although services are available for all counties, some services may be physically located outside your county. Refer to the financial aid section if assistance is needed with travel expenses.

This compilation is neither a recommendation nor an endorsement of the providers, but rather a list of available resources serving your community. Komen Lowcountry is not responsible for any errors or omissions. The list only includes services available within our service area. Additional services may be available in counties not served by the Lowcountry affiliate. You are encouraged to ask questions and gather as much information possible to make informed decisions.

Additional resources may be found at www.komenlowcountry.org or by calling **843-556-8011**. A list of National Resources, including Financial Aid, is also available online.

The Lowcountry Affiliate of Susan G. Komen for the Cure — along with those who generously support us with their talent, time and resources—is working to better the lives of those facing breast cancer in our community. Through events like the Komen Lowcountry Race for the Cure®, we have invested more than \$4 million in local breast health and breast cancer awareness projects in 13 counties. Up to 75 percent of net proceeds generated by the Komen Lowcountry Affiliate stay in our 13-county service area while the remaining 25 percent goes to the Susan G. Komen for the Cure Award and Research Grant Programs supporting research, awards and educational and scientific programs around the world. The Lowcountry Affiliate of Susan G. Komen for the Cure is an independent, tax-exempt 501(c)(3) organization.
